PROFILE

Junior Interior Designer with 2 years of experience developing creative interior solutions and managing multiple client projects. Proficient in SketchUp, AutoCAD, and Revit, with strong organizational skills, vendor relations, and project management skills. Excels in collaborating with senior designers and coordinating with contractors to ensure precise execution of design specifications, aiming to enhance client satisfaction and project success.

EXPERIENCE

Fine Line Furniture & Accessories 2022 - Present

JUNIOR INTERIOR DESIGNER

- Prepare detailed drawings and models for client presentations in SketchUp, AutoCAD, and Revit.
- Organize project notes and deliverables for efficient workflow.
- Develop creative interior solutions while managing multiple client projects, translating conceptual designs into detailed technical drawings and comprehensive plans.
- Coordinate with contractors and vendors to ensure precise execution of design specifications, maintaining strong documentation and project timeline adherence
- Partner with senior designers to create compelling client presentations, incorporating mood boards, floor plans, and detailed elevations
- Research and source materials while analyzing project requirements to deliver solutions that align with client vision and architectural constraints
- Drive project efficiency by organizing deliverables, meeting notes, and status updates in a systematic manner, ensuring a smooth workflow and timely completion.
