Duluth Trading Co.
Retail Associate
2024

- skills

adaptable
people oriented
attention to detail
effective communication
proficient with color matching & pairing

- languages

english - proficient
spanish - basic

about me

Second generation artist from the Midwest. Passionate about creating textiles that appeal visually and physically. Specialization in knitting, crochet, weaving, and surface decoration.

My childhood was full of imagination and a strong desire to create. From working with clay to yarn, I knew my heart belonged to fiber arts and physical media.
