## PROFILE

I am a professional interior designer with over ten years of international work experience in commercial and residential projects, dedicated to reshaping the relationships between humans, space and nature.

## EDUCATION

### Master of Arts in Interior Architecture & Design

Academy of Art University, San Francisco, CA (2022-2024)

### Bachelor of Arts in Environmental Art Design

Xi'an University of Architecture and Technology (1997-2001)

### 2023 Christopher H. Browne Newport Drawing Tour

### New York 2024 ICAA Intensive in Classical Architecture

The Institute of Classical Architecture & Art

## PROJECTS

### • Residential Interior Design FL (2024-present)

Developing floor plans, designing cohesive color schemes, and coordinating custom furniture orders tailored to the client's specifications.

### • Pacific Northwest Multicultural Community Services Portland (2023)

Site analysis, when combined with location demographics, characteristics, opportunities, and psychology, creates a center that provides opportunities for refugees to enhance their stay.

### • The Coast Cafe & Bakery San Francisco (2023)

From the logo to the furniture selection, bring the concept to an 'American comfort' Cafe.

### • Market Research Firm office (2023)

Bring a system of furnishings with a 'lush' concept to elevate people's mood and productivity.

### • Medical Clinic Interior Design Winthrop, AR (2022)

Analyzed demographics, characteristics, opportunities, and psychology; developed a sustainable design concept for the clinic in the historic building.

### • Bemis ECO Block Design Seattle, WA (2022)

Reviewed the research of climate & weather, location, and demographics. Developed an ECO block concept for the abandoned industrial area into a sustainable community.

### • Innotech Office Interior Relocation San Francisco, CA (2022)

Following building codes, concept highlighted a tech company feature in a historic building and renovation to meet the tenants. Developed a full set of construction documents.

### • Sales Center, Club, Model House, Hospitality, Mall China (2001-2012)

Developed programming, conceptual design, schematic design, design development, construction documents, and construction administration.
