

JAIPETCH (BELL) VIMUTTINUNT

Visual Development Artist

ABOUT

Visual development artist skilled in environment and prop design. Team player with strong communication and collaboration skills.

RECENT PROJECTS

Visual Development Artist RUKKA (2024-Present)

- Develop project concept and story through storyboarding, key moment sketches, and cinematic moment painting.
- Design characters, environments, set dressing and props using Procreate and Photoshop. Explore lighting, color and timing variations.

Environment and Prop Designer LIMONE (2024-Present)

- Researched culture, vernacular architecture and gathered reference photos of various elements of buildings and how people live. Created thumbnails and featured element sketches.
 - Developed environment and prop designs. Created isometric and graphic for set and prop design, color and texture exploration.
-
