---

## COMMERCIAL DESIGN CONCEPT PROJECTS

### Boutique Hotel Concept

- Developed an intricate design concept informed by in-depth research on project demographics and site context.
- Created detailed interior elevations, sections, details, and functional floor plans using Revit.
- Produced high-quality 3D renderings with Enscape to visualize spatial intent.
- Applied ADA standards and California building codes to ensure accessible, safe, and inclusive environments.

### Pacific Northwest Multicultural Community Services Refugee Center Concept

- Created bubble and blocking diagrams with a focus on circulation flow and accessibility.
- Selected sustainable furniture, fixtures, and equipment (FF&E) to enhance functionality, reduce environmental impact, and elevate aesthetic appeal. Prepared professional presentation materials and graphics to clearly convey the design concept and vision.

---
